

Essentials

Snowflake University

On Demand

Welcome to Snowflake Essentials

To complete lessons in this course, you will:

- Watch Instructional Videos
- Carry out Lab Exercises in a Live Snowflake Account
- Pass an Online Quizzes

Snowflake Lab Account:

If you have your own Snowflake account that you can use to carry out lab exercises, do the labs there. If you do not have a Snowflake account that you'd like to use for the labs, please visit <https://trial.snowflake.com> and request a free 30-day trial account.

If you cannot create a trial account for any reason please send an email to essentials@snowflake.com with an explanation of the problem and a Snowflake University staff member will try to help you resolve your issue.

USER ROLES

Essentials

Lesson 1 Objectives

- 1.1 Identify the purpose and function of a user's default role.
- 1.2 Set the user role as needed using menus in the WebUI ribbon.
- 1.3 Recognize how role affects the options in the WebUI ribbon.
- 1.4 Recognize the four Snowflake User Roles that are automatically present in all Snowflake accounts.

Lesson 1: User Roles
